

calendar::date::date

```
graph LR; A[calendar::date::date] --> B[calendar::date::setCurrentDate]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'calendar::date::date'. The right box is white with a black border and contains the text 'calendar::date::setCurrentDate'. A dark blue arrow points from the right side of the left box to the left side of the right box.

calendar::date::setCurrentDate
